Call for motion vote by Chairman Lendrum

Motion Carried. All voting aye. 5/0

Church Street Parking Ramp Security Camera Upgrade

Director Schroeder reviewed his memo of October 4. He stated that the current cameras were installed in 2006 and are low-quality resolution. He stated that upgrading cameras will help curb increased vandalism and provide clear footage to investigate when incidents occur. Director Schroeder stated that in addition to the camera replacements the conduit and junction boxes that house the cabling for the cameras are corroded beyond use and will be replaced with this project.

Director Schroeder stated that staff is asking that One Source Technologies be approved even though they are the higher bid. He stated that One Source Technologies will perform all the work including the installation of the conduit where the other bider would have to source that out.

Report

Motion by Hillstrom, Seconded by Weber to recommend Council approve the upgrade of security cameras in the Church Street parking ramp with One Source Technologies in an amount of $89,403.00 utilizing budgeted Capital Facility funds of $90,000.00.

Approve the Original Class "B" Combination Alcohol Beverage Retail License Application and Plan of Operation for Grainworks Old + New, LLC., d/b/a Grainworks Old + New, 200 Main Street, Brian Duncan, Agent

City Clerk Nagel stated that this is an Original Class "B" intoxicated liquor and alcohol retail license for Grainworks Old + New.

Andrea Simonis, 1055 Pilgrim Road, Neenah-Ms. Simonis stated that she is the owner of Grainworks and is applying for the license to expand the business to allow the serving of larger pours versus the sample sizes we currently are only allowed to serve. She stated that they would also like to be able to sell beverages to the customer along with holding private events and tastings after business hours.

City Clerk Nagel stated that this is the last of the remaining intoxicating liquor license for the City of Neenah. She stated that moving forward, establishments wanting to serve intoxicating liquor would have to apply for the reserve licenses which imposes a $10,000 non-refundable deposit.

Alderperson Hillstrom asked if any other cities have passed this type of license to be used in this way. City Clerk Nagel stated that Grand Chute recently approved a Class "B" intoxicated liquor and alcohol retail license to Total Wine. She stated they can now serve larger pours and liquor for shoppers to drink while in the store. She stated that Grand Chute did not want to set a precedent that every liquor stores can now become bars.

Report

Motion by Weber, Seconded by Pollnow to recommend Council approve the Original Class "B" combination alcohol beverage retail license application and plan of operation to Grainworks Old + New, LLC., d/b/a/ Grainworks Old + New, 200 Main Street, Neenah WI, Brian Duncan Agent.

Report

Motion by Pollnow, Seconded by Borchard to recommend Council approve Resolution 2024-19: Amended Plat Relocation Order for the 2025 S. Commercial reconstruction project between Stanley Street and Tyler Street.

Call for motion vote by Chairman Lendrum

Motion Carried. All voting aye. 5/0

Doty Avenue Parking Regulation Changes

Traffic Engineer Merten stated that these changes are being made to accommodate a new size road width and the relocation of the Valley Transit Transfer station. He stated that during special events Doty Avenue is parked full with vehicles. He stated that it can become difficult, especially when buses are at the transfer station, for vehicles to get through without having to move over to get through. Traffic Engineer Merten stated that making this change will allow for traffic to flow more freely.

Alderperson Borchardt asked if there has been any discussion with Valley Transit on finding alternative location for the transfer station. He stated that he was not aware that the current location was what came out of their route study.

Traffic Engineer Merten stated that Valley Transit has discussed with the city a new transfer building that they would fund through grant dollars. He stated that it would need to be downtown yet, so finding an alternate location is the challenge.

Alderperson Borchardt stated that he would like to make the bus transfer station safer and more accessible for riders, while also keeping in mind the impact that it may be having on the staff at city hall and the facility.

Report

Motion by Weber, Seconded by Pollnow, to recommend Council approve instituting a "no parking anytime" regulation on the entire north side of East Doty Avenue from South Commercial Street to Oak Street.

Call for motion vote by Chairman Lendrum

Motion Carried. All voting aye. 5/0

Woodenshoe Road Speed Limit

Traffic Engineer Merten stated that with the development of the Liberty Heights and Integrity Acres subdivisions, city staff have been receiving requests to lower the speed limit along the quarter-mile section of Woodenshoe Road from the city's southerly limits to CTH G.

Traffic Engineer Merten stated that the speed limit is currently posted at 45 mph. A traffic study taken at the south limit in May 2022 shows an average speed at 39 mph,

He stated that eight new access points were added as a part of city development to the four existing ones prior to city development and Kobussen and Neenah Joint School District have recently made the intersection of Integrity Way and Woodenshoe Road a school bus stop.

Alderperson Pollnow stated that he has talked to residents in the neighborhood and there is support for this change.

Alderperson Hillstrom asked what the speed limit is on CTH G. Director Kaiser stated that it is 45 mph and Winnebago County is not going to be changing that in the foreseeable future.

Alderperson Lendrum asked if any type of notice will be put up for drivers. Traffic Engineer Merten stated that he could place the message board on Woodenshoe Road and also install speed reduction signs.

Report

Motion by Weber, Seconded by Pollnow to recommend Council approve reducing the speed limit on Woodenshoe Road between the city south limits to CTH G from 45 mph to 35 mph.

Call for vote by Chairman Lendrum

Motion Carried. All voting aye. 5/0

Memo

To: Cari Lendrum, Public Services and Safety Committee Chair, Mayor Jane Lang

From: Captain Tom Van Sambeek

Date: 10/23/2024

Re: In Squad Video System Replacement

The Neenah Police Department is requesting the replacement of eight in-car video systems along with an addition of two more units to go into our K9 Squad and our Traffic Safety Officer Squad as these units have not had cameras in the past.

We last purchased Panasonic Arbitrator cameras in 2015. Normal duty cycle for these cameras is 10 years. This is due to the cameras facing the extreme conditions of vehicle mounting in a 24/7 operation. We have been replacing parts on a fairly regular basis in the last year and currently have one head unit, which is the control center of the unit, that is not working as they no longer offer support for our model. We have another head unit that is not working reliably, and we also have a camera that is completely out of commission. We have consolidated parts to only have one squad that is not currently equipped with an in-squad camera.

I have looked at new cameras from various vendors and believe the best choice is the Axon Fleet 3 camera system. Since the cameras are from Axon, the system will integrate seamlessly with our body worn cameras and our Tasers. By going with Axon, officers will only have to label video evidence once instead of multiple times as they currently need to do. This will also increase efficiency when preparing these recordings for court. The files will be in one location in the cloud and can be shared with the city attorney or the district attorney with just a few keystrokes versus downloading and sharing via an FTP site. The switch to Axon will also greatly increase efficiency of our Open Records staff. With the current Arbitrator system, the video needs to be converted to a different file type and then uploaded to Axon's Evidence.com to be redacted. A one-hour video would take two hours just to get it ready to be redacted.

Another area of savings would come from storage. Axon uses the cloud for storage, this will decrease the amount of space we take up on the city servers and decrease the time that I.T. staff needs to spend on those servers.

The Axon product is sold on a five-year contract and includes removal of old video equipment and the installation and setup of the new hardware. The contract also includes Axon's Technology Assurance Plan (TAP). This is a warranty on all equipment for the length of the contract.

Axon is currently offering an 8% discount if a contract is signed in 2024, but payment would not be needed until 2025, when the contract starts in approximately February. Funding for this project will come from the 2025 Capital Improvements In-Car Replacement budget. The total amount of this five-year contract is $131,139.19 and can be broken up into five payments. The first payment would be $26,227.83 and remaining equal payments of $26,227.84. Total cost of the contract if signed in 2025 is $146,818.88. Total saving over the life of the contract by signing in 2024 is $21,789.41.

Recommendation:
Authorize the Neenah Police Department to enter into a five-year contract with Axon Enterprises for 10 Axon Fleet 3 in-car camera system and approve the 2025 payment in the amount of $26,227.83.

FLEET STATEMENT OF WORK BETWEEN AXON ENTERPRISE AND AGENCY

Introduction

This Statement of Work ("SOW") has been made and entered into by and between Axon Enterprise, Inc. ("AXON"), and Neenah Police Dept. - WI the ("AGENCY") for the purchase of the Axon Fleet in-car video solution ("FLEET") and its supporting information, services and training. (AXON Technical Project Manager/The AXON installer)

Purpose and Intent

AGENCY states, and AXON understands and agrees, that Agency's purpose and intent for entering into this SOW is for the AGENCY to obtain from AXON deliverables, which used solely in conjunction with AGENCY's existing systems and equipment, which AGENCY specifically agrees to purchase or provide pursuant to the terms of this SOW.

This SOW contains the entire agreement between the parties. There are no promises, agreements, conditions, inducements, warranties or understandings, written or oral, expressed or implied, between the parties, other than as set forth or referenced in the SOW.

Acceptance

Upon completion of the services outlined in this SOW, AGENCY will be provided a professional services acceptance form ("Acceptance Form"). AGENCY will sign the Acceptance Form acknowledging that services have been completed in substantial conformance with this SOW and the Agreement. If AGENCY reasonably believes AXON did not complete the professional services in conformance with this SOW, AGENCY must notify AXON in writing of the specific reasons within seven (7) calendar days from delivery of the Acceptance Form. AXON will remedy the issues to conform with this SOW and re-present the Acceptance Form for signature. If AXON does not receive the signed Acceptance Form or written notification of the reasons for rejection within 7 calendar days of the delivery of the Acceptance Form, AGENCY will be deemed to have accepted the services in accordance to this SOW.

Force Majeure

Neither party hereto shall be liable for delays or failure to perform with respect to this SOW due to causes beyond the party's reasonable control and not avoidable by diligence.

Schedule Change

Each party shall notify the other as soon as possible regarding any changes to agreed upon dates and times of Axon Fleet in-car Solution installation-to be performed pursuant of this Statement of Work.

Axon Fleet Deliverables

Typically, within (30) days of receiving this fully executed SOW, an AXON Technical Project Manager will deliver to AGENCY's primary point of contact via electronic media, controlled documentation, guides, instructions and videos followed by available dates for the initial project review and customer readiness validation. Unless otherwise agreed upon by AXON, AGENCY may print and reproduce said documents for use by its employees only.

Security Clearance and Access

Upon AGENCY's request, AXON will provide the AGENCY a list of AXON employees, agents, installers or representatives which require access to the AGENCY's facilities in order to perform Work pursuant of this Statement of Work. AXON will ensure that each employee, agent or representative has been informed or and consented to a criminal background investigation by AGENCY for the purposes of being allowed access to AGENCY's facilities. AGENCY is responsible for providing AXON with all required instructions and documentation accompanying the security background check's requirements.

Training

AXON will provide training applicable to Axon Evidence, Cradlepoint NetCloud Manager and Axon Fleet application in a train-the-trainer style method unless otherwise agreed upon between the AGENCY and AXON.

Local Computer

AGNECY is responsible for providing a mobile data computer (MDC) with the same software, hardware, and configuration that AGENCY personnel will use with the AXON system being installed. AGENCY is responsible for making certain that any and all security settings (port openings, firewall settings, antivirus software, virtual private network, routing, etc.) are made prior to the installation, configuration and testing of the aforementioned deliverables.

Network

AGENCY is responsible for making certain that any and all network(s) route traffic to appropriate endpoints and AXON is not liable for network breach, data interception, or loss of data due to misconfigured firewall settings or virus infection, except to the extent that such virus or infection is caused, in whole or in part, by defects in the deliverables.

Cradlepoint Router

When applicable, AGENCY must provide AXON Installers with temporary administrative access to Cradlepoint's NetCloud Manager to the extent necessary to perform Work pursuant of this Statement of Work.

Evidence.com

AGENCY must provide AXON Installers with temporary administrative access to Axon Evidence.com to the extent necessary to perform Work pursuant of this SOW.

Wireless Upload System

If purchased by the AGENCY, on such dates and times mutually agreed upon by the parties, AXON will install and configure into AGENCY's existing network a wireless network infrastructure as identified in the AGENCY's binding quote based on conditions of the sale.

VEHICLE INSTALLATION

Preparedness

On such dates and times mutually agreed upon by the parties, the AGENCY will deliver all vehicles to an AXON Installer less weapons and items of evidence. Vehicle(s) will be deemed 'out of service' to the extent necessary to perform Work pursuant of this SOW.

Existing Mobile Video Camera System Removal

On such dates and times mutually agreed upon by the parties, the AGENCY will deliver all vehicles to an AXON Installer which will remove from said vehicles all components of the existing mobile video camera system unless otherwise agreed upon by the AGENCY.

Major components will be salvaged by the AXON Installer for auction by the AGENCY. Wires and cables are ~~not~~ considered expendable and will not be salvaged. Salvaged components will be placed in a designated area by the AGENCY within close proximity of the vehicle in an accessible work space.

Prior to removing the existing mobile video camera systems, it is both the responsibility of the AGENCY and the AXON Installer to test the vehicle's systems' operation to identify and operate, documenting any existing component or system failures and in detail, identify which components of the existing mobile video camera system will be removed by the AXON Installer.

In-Car Hardware/Software Delivery and Installation

On such dates and times mutually agreed upon by the parties, the AGENCY will deliver all vehicles to an AXON Installer, who will install and configure in each vehicle in accordance with the specifications detailed in the system's installation manual and its relevant addendum(s). Applicable in-car hardware will be installed and configured as defined and validated by the AGENCY during the pre-deployment discovery process.

If a specified vehicle is unavailable on the date and time agreed upon by the parties, AGENCY will provide a similar vehicle for the installation process. Delays due to a vehicle, or substitute vehicle, not being available at agreed upon dates and times may results in additional fees to the AGENCY. If the AXON Installer determines that a vehicle is not properly prepared for installation ("Not Fleet Ready"), such as a battery not being properly charged or properly up-fit for in-service, field operations, the issue shall be reported immediately to the AGENCY for resolution and a date and time for the future installation shall be agreed upon by the parties.

Upon completion of installation and configuration, AXON will systematically test all installed and configured in-car hardware and software to ensure that ALL functions of the hardware and software are fully operational and that any deficiencies are corrected unless otherwise agreed upon by the AGENCY, installation, configuration, test and the correct of any deficiencies will be completed in each vehicle accepted for installation.

Prior to installing the Axon Fleet camera systems, it is both the responsibility of the AGENCY and the AXON Installer to test the vehicle's existing systems' operation to identify, document any existing component or vehicle systems' failures. Prior to any vehicle up-fitting the AXON Installer will introduce the system's components, basic functions, integrations and systems overview along with reference to AXON approved, AGENCY manuals, guides, portals and videos. It is both the responsibility of the AGENCY and the AXON Installer to agree on placement of each components, the antenna(s), integration recording trigger sources and customer preferred power, ground and ignition sources prior to permanent or temporary installation of an Axon Fleet camera solution in each vehicle type. Agreed placement will be documented by the AXON Installer.

AXON welcomes up to 5 persons per system operation training session per day, and unless otherwise agreed upon by the AGENCY, the first vehicle will be used for an installation training demonstration. The second vehicle will be used for an assisted installation training demonstration. The installation training session is customary to any AXON Fleet installation service regardless of who performs the continued Axon Fleet system installations.

The customary training session does not 'certify' a non-AXON Installer, customer-employed Installer or customer 3rd party Installer, since the AXON Fleet products does not offer an Installer certification program. Any work performed by non-AXON Installer, customer-employed Installer or customer 3rd party Installer is not warrantied by AXON, and AXON is not liable for any damage to the vehicle and its existing systems and AXON Fleet hardware.

RE: Upcoming Parking Restriction Change for S Commercial Street

As you are aware, the Commercial Street reconstruction project is scheduled for next year. As part of the state design process for this project, changes to street layout were made. The final layout that will be constructed requires removal of parking on the east side of the street between Tyler Street and Division Street and the west side of the street between Division Street and King Street. This concept was indicated and emphasized in notices sent to affected adjacent property owners on October 6, 2022 and on March 14, 2024 and highlighted at the public involvement meetings that took place on October 18, 2022 and March 21, 2024. The regulation changes have not been formally adopted by the Neenah Common Council.

Staff recommends instituting a “NO PARKING ANYTIME” regulation on the east side of South Commercial Street between Tyler Street and Division Street and on the west side of South Commercial Street between Division Street and King Street, which shall go in effect September 1, 2025.

RE: Ordinance 2024-22 – Proposed Modifications to Overnight Parking Restrictions

Currently in the winter season, November 1st through March 31st, parking is not permitted on any street from 2 AM to 5 AM. The justification for this restriction is for ease of plowing. While sometimes snowfall will conveniently occur within this window of time, the restriction is meant to provide an opportune time to clear snow to the curb as part of post-event cleanup. Considering that snowfall events don't occur frequently and that with larger snow events a snow emergency proclamation is made anyway, the utilization of this specific restriction is limited.

This restriction has created hardship for some residents, particularly those in multifamily housing with limited on-premises parking. Because of their situation, these residents end up violating the restriction and receiving the majority of the overnight citations issued. Residents who seek a solution find themselves in a perpetual chain of circular communication between Community Development (for on-premises restrictions), Public Works (for street restrictions), and Police (for enforcement), usually without resolution. While it can be said property owners should be providing adequate on-premises parking, tenants are the ones subject to the fines.

Thus, before you is the attached proposed ordinance to enact the following three-part proposal to rebalance overnight parking regulations:

1. Expand the seasonal alternate side parking (for residential districts) to all year round.
   This provides residents an on-street parking option for most of the winter season. Note that the seasonal no parking restriction on culs-de-sac is to remain.

2. Lengthen the restriction period (2 AM to 5 AM) to Midnight to 5 AM.
   This reduces the confusion associated with the alternate side parking exemption being calculated using the day before midnight. With this change, it can be simplified as the day when you park your vehicle. It also provides public works with a larger technical window to clear snow and street sweeping.

3. Replace the current penalty amount for parking during snow emergencies from $20/$25/$35/$55 per offense to a flat-rate penalty of $55.
   The intent behind raising this fine is to discourage parking on city streets when it specifically matters – when snowfall is anticipated.

Staff recommend approving Ordinance 2024-22 revising §16-90(d) and §16-149 of the Municipal Code to modify on-street overnight parking regulations and the penalty for parking during snow emergency proclamations.

AN ORDINANCE: By Public Services & Safety Committee
Re: Amending Code § 16-90(d), overnight parking regulations, and Code § 16-149, penalty for parking during snow emergency proclamations.

ORDINANCE NO. 2024-22
Introduced: October 29, 2024

Committee/Commission Action:

AN ORDINANCE

The Common Council of the City of Neenah, Wisconsin, do ordain as follows:

Section 1. Section 16-90(d), "Overnight Parking," of the Code of Ordinances of the City of Neenah is amended by deleting the stricken language and adding the underlined language to read as follows:

(1) No person shall park any vehicle between 12:00 a.m. midnight ~~2:00 a.m.~~ and 5:00 a.m.

(2) Exceptions.

a. ~~*Seasonal a*~~*Alternate side parking.* For ~~From April 1 to October 31 of each year in the~~ residential areas~~,~~ defined as R-1, R-2, M-1 and M-2 on the Official Zoning District Map, persons may park their vehicles on the even-numbered side of a street on even-numbered days before 12:00 a.m. midnight, and on the odd-numbered side of a street on odd-numbered days before 12:00 a.m. midnight.

b. *Parking restriction exemption.* For residential areas defined as R-1, R-2, M-1 and M-2 on the Official Zoning District Map, persons may park their vehicles on streets where parking is otherwise permitted on one side only.

c. *Culs-de-sac.* Section 16-90(d)(2)(a) shall not apply to culs-de-sac. From April 1 to October 31 of each year in residential areas defined as R-1, R-2, M-1 and M-2 on the Official Zoning District Map, persons may park their vehicles on culs-de-sac.

~~b. *Street design exemption.* From April 1 to October 31 of each year in any area where a hardship exists because of roadway design (courts, culs de sac and streets with parking restricted on one side), persons shall be permitted to park their vehicles.~~

d.~~c.~~ *Temporary parking.* The Police Department may grant permission to so park a vehicle on a temporary basis in unusual circumstances.

e.~~d.~~ *Exempted locations.* A vehicle may be so parked on the parking lots or portions of parking lots indicated in the Off-Street Parking Map or on the following streets or portions of streets: Walnut Street on the east side of the street from East Franklin Avenue to East Doty Avenue.

Section 2. Section 16-149, "Penalty for Stopping and Parking Violations," of the Code of Ordinances of the City of Neenah is amended by deleting the stricken language and adding the underlined language to read as follows:

(a) *Class A.* Any person who violates Section 16-91(h) shall pay to the City a forfeiture of $150.00 within ten days of when the citation was issued.

(b) *Class B.* Penalties for violating Code Sections 16-7(f), 16-90(a) through 16-90(b)(3), 16-90(c) through 16-90(d~~f~~), 16-90(f), 16-91(a) through 16-91(d), 16-92 or 16-131 shall be as follows:

(1) *First offense.* Any person to whom was issued their first citation of any given violation shall forfeit $20.00 to the City within ten days of when the citation was issued.

(2) *Second offense.* Any person to whom was issued a second citation for the same violation shall forfeit $25.00 to the City within ten days of when the citation was issued.

(3) *Third offense.* Any person to whom was issued a third citation for the same violation shall forfeit ~~$~~$35.00 to the City within ten days of when the citation was issued.

(4) *Fourth and subsequent offenses.* Any person to whom was issued a fourth citation or any citation thereafter for the same violation shall forfeit $55.00 to the City within ten days of when the citation was issued.

(5) *Effective period of offenses.* Each citation issued shall constitute an offense of that specified violation of the Code subsection indicated in the citation for a 365-day period following the date of issuance of said citation.

(c) *Class C.* Penalties for violating Code Sections 16-90(b)(4) through 16-90(b)(6), 16-90(9) or 16-91(e) through 16-91(g) shall be as follows:

(1) *First offense.* Any person to whom was issued their first citation of any given violation shall be issued a written warning.

(2) *Second offense.* Any person to whom was issued a second citation for the same violation shall forfeit $20.00 to the City within ten days of when the citation was issued.

(3) *Third offense.* Any person to whom was issued a third citation for the same violation shall forfeit $25.00 to the City within ten days of when the citation was issued.

(4) *Fourth offense.* Any person to whom was issued a fourth citation or any citation thereafter for the same violation shall forfeit $35.00 to the City within ten days of when the citation was issued.

(5) *Fifth and subsequent offenses.* Any person to whom was issued a fifth citation or any citation thereafter for the same violation shall forfeit $55.00 to the City within ten days of when the citation was issued.

(6) *Effective period of offenses.* Each citation issued shall constitute an offense of that specified violation of the Code subsection indicated in the citation for a 365-day period following the date of issuance of said citation.

(d) *Class D.* Any person who violates Section 16-90(e) shall pay to the City a forfeiture of $55.00 within ten days of when the citation was issued.

Section 3. Severability. In the event any section, subsection, clause, phrase or portion of this ordinance is for any reason held illegal, invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remainder of this ordinance. It is the legislative intent of the Common Council that this ordinance would have been adopted if such illegal provision had not been included or any illegal application had not been made.

Section 4. Repeal and Effective Date. All ordinances or parts of ordinances and resolutions in conflict herewith are hereby repealed. This ordinance shall take effect from and after its passage and publication.

RE: Ordinance 2024-23 – Official Traffic Maps Update

The last update to the Official Traffic Maps was in December of 2017. Attached are proposed updates to the maps that include approved changes authorized by the Committee, staff recommended minor adjustments, and corrections. Also attached are a series of tables explaining each of the proposed changes to the current version of the maps.

The attached ordinance proposes to formally adopt these changes by repealing and replacing Section 16-36(a)(1) of the Neenah Municipal Code authenticating the new proposed maps.

Staff recommend approving Ordinance 2024-23 repealing and replacing Section 16-36(a)(1) of the City of Neenah Municipal Code.

AN ORDINANCE: By Public Services & Safety Committee
Re: Repealing and recreating the official traffic maps established by Code § 16-36(a)(1).

ORDINANCE NO. 2024-23
Introduced: October 29, 2024

Committee/Commission Action:

AN ORDINANCE

The Common Council of the City of Neenah, Wisconsin, do ordain as follows:

Section 1. The Official Traffic Maps adopted pursuant to Section 16-36(a)(1) of the Code of Ordinances of the City of Neenah are repealed and recreated as the following Official Traffic Maps:

(a) Speed Limits Map dated November 6, 2024;

(b) One-Way Highways, Turns and Lanes Map dated November 6, 2024;

(c) On-Street Parking Map dated November 6, 2024;

(d) Off-Street Parking Map dated November 6, 2024;

(e) Heavy Traffic Routes Map dated November 6, 2024;

(f) Controlled Intersections Map dated November 6, 2024.

Section 2. **Severability.** In the event any section, subsection, clause, phrase or portion of this ordinance is for any reason held illegal, invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remainder of this ordinance. It is the legislative intent of the Common Council that this ordinance would have been adopted if such illegal provision had not been included or any illegal application had not been made.

Section 3. **Repeal and Effective Date.** All ordinances or parts of ordinances and resolutions in conflict herewith are hereby repealed. This ordinance shall take effect from and after its passage and publication.

GERRY KAISER, P.E.
DIRECTOR OF PUBLIC WORKS

M E M O R A N D U M

DATE: October 24, 2024

TO: Mayor Lang and Members of the Public Services and Safety Committee

FROM: Gerry Kaiser, Director of Public Works

RE: Public Works General Activity

1) Contract 7-21 (Harrison Pond): Troubleshooting is being done on the pumps to get them in operation. Sidewalk/trail and staining work is complete.

2) Contract 7-23 (High, River Utility and Street Construction): Work is complete. A punchlist was provided to the contractor. Final quantities have been prepared.

3) Contract 1-24 (Belmont Ct, Belmont Av, Cedar St, Stevens St-Utilities and Street): Utility and paving work is complete. Topsoil/seed/mulch/fertilizer is being finished.

4) Contract 2-24 (E. Doty Av - Utilities and Street): Work is complete. Final quantities are being prepared.

5) Contract 3-24 (Bayview Rd, Commercial St Water Crossings, Quarry Ln, Reed St - Utilities and Street, Temporary asphalt paving on Freedom Meadows Drive and Liberty Avenue): Work is complete. Final quantities are being prepared.

6) Contract 4-24 (S. Park Avenue Easement – Utilities): Work is scheduled to start the week of 11/4.

7) Contract 5-24 (North St - Utilities and Street): Utility installation and curb repairs are complete. Paving is scheduled for the week of 10/28.

8) Contract 6-24 (Jewelers Park Drive): Work is complete. A final payment has not been processed.

9) Contract 7-24 (Misc Concrete Pavement/Sidewalk Repair): Miscellaneous pavement repairs are being done at the roundabouts on Bell/Breezewood. The sidewalk on the west side of the north end of Baldwin will be done when arrangements have been finalized with the abutting property owner.

10) Contract 8-24 (Misc Asphalt Pavement/Sidewalk Repair): This contract was awarded to MCC, Inc. Work will start the week of 11/4.

11) Contract 9-24 (Pavement Marking): Work is complete. The final pay request is being brought to the next Council meeting.

12) Contract 10-24 (Tullar Garage Roof, Phase 2): Work is complete. A final payment is being processed.

13) Contract 11-24 (Douglas Park Pond): Project bids will be opened on 10/30.

14) Contract 13-24 (S. Commercial St Turn Lane at Winneconne Av): The contract was awarded to Vinton Construction. A work has not been scheduled. We are working through the property acquisition.

15) S. Commercial Street Reconstruction: The project is scheduled for a WisDOT bid letting on 11/12.

16) The 2025 Public Works Services Guide is being finalized. The schedule for brush/yard waste collection is being modified to every other month collection starting in April and running through October (April, June, August, October). This schedule avoids conflicts with months containing holidays, avoids significant overlap with fall leaf collection, and allows time for staff to address work tasks that have suffered for a lack of time for a concerted focus, such as asphalt street patching, mastic road repairs, inspecting/repairing catch basins, cleaning catch basins, tree trimming, retention pond maintenance, roundabout landscaping maintenance, sealing decorative concrete, jetting storm sewers, and weeding concrete islands.
